

The image shows a document page with a grid-like structure, likely a ledger or a form. The page is mostly white with some dark, irregular shapes at the bottom, possibly representing a binding or a shadow. The grid lines are faint and the text is mostly illegible due to the high contrast and low resolution. There are some faint markings and numbers visible, but they are not clear enough to transcribe accurately.

P. C. 3, (Henry Mather) charged a Chinaman with keeping a gambling house.
